For Lotus from Cambridge to Peterborough

Few car marques conjure as much excitement as Lotus and with the factory located at Hethel in Norfolk, it seemed strange that for quite some time much of Cambridgeshire and the Eastern counties were without any Lotus official representation until the widely respected F.Vindis & Sons motor retailing group saw a gap in the market and filled it by opening Vindis Lotus in St Ives in September last year.

Now current Lotus owners have an official dealership that offers everything from sales to parts, repairs and servicing. Prospective Lotus purchasers can view the entire Lotus range within a spacious and inviting showroom as well as peruse a superb selection of Approved Used Lotus models, all of which are covered by a comprehensive 12-month

warranty and prepared to the Vindis Group's exemplary standards. By purchasing an Approved Used Lotus you can be sure that your vehicle is in first-class condition and you'll gain the after sales back up of an official Lotus main dealer.

Lotus offers a highly exciting array of hand-built British sports cars that are not only exhilarating to drive but stunning to see. Right now, Vindis Lotus have enticing Winter Offers* across the Lotus range along with Option Packs with additional equipment at greatly reduced prices. In fact, there's never been a better time to visit as they're offering low-rate finance and potential savings of thousands of pounds on new Lotus cars.

Their factory-trained technicians are entirely dedicated to providing everything from routine servicing to major repairs on all Lotus models. They have access to the latest Lotus-specified tooling and diagnostics. Courtesy vehicles can be provided while your Lotus is being serviced.

You'll find friendly, enthusiastic staff and an inviting customer lounge with comfortable seating and beverage facilities, so why not call into Vindis Lotus on Low Road, St Ives (PE27 5EL) to check out their spectacular deals on the latest Lotus sports cars. Call (01480) 468111 to find out more.
